## Military Officers Association of America (MOAA)

## Plan for Assisting Struggling Chapters, June 2002

This plan is in two parts.
PART 1. This is an attempt to IDENTIFY struggling chapters. Three criteria have been selected.
A. Chapter regular members' membership. Will be determined from chapter dues to the Council. Trends are important as well as the percentage of MOAA members that are chapter members.
B. Chapter leadership functions manned. The following 10 positions are to be manned: President, Vice President, Secretary, Treasurer, Programs, Legislative Affairs, ROTC Awards, Membership, Personal Affairs and Newsletter Editor. Multiple jobs by an individual should be kept to a minimum.
C. Council Meeting Attendance. Council meetings will include this item in order to gather this data. The Second Vice will collect and monitor this data and report to the Council President.

PART 2. This is an attempt to ASSIST struggling chapters.
A. When the criteria identifies a struggling Chapter, the Second Vice President will notify the Council President.
B. The Council President will make contact with the Chapter President and discuss the situation and together, make the determination to put Part 2 of the plan into action
C. The Council President will ask the Chapter President to complete the "MOAA Chapter SelfEvaluation Checklist". The Chapter President will accomplish this with the help of his Chapter Board of Directors.
D. A Council team, Chaired by the Second Vice President, will meet with the Chapter Board and review the self-evaluation together. Council and Chapter together will identify and prioritize trouble areas and formulate an 'action plan', to include a follow-up schedule to monitor progress. Possibilities for the 'action plan' should be but not limited to the below:
a. Identify tools and support assets: National MOAA, Council, other chapters, individuals, etc.
b. Offer expertise help.
c. "Big Brother" Chapter
d. Promote on-going Council Visits
e. Promote joint-chapter meetings
f. Have chapter leaders visit successful chapter Board meetings and/or general membership meetings

Other important points that should be stressed:

1. The plan is to help identify problems in the early stages while they are small.
2. These problems didn't happen overnight and they won't be fixed overnight.
3. The entire process will be conducted in a positive spirit of 'helping our neighbor'
