2022 Vietnam POW's Return to Freedom 49th Anniversary Reunion

The national organization of former United States POWs (including men and women in the Air Force, Navy, Marine, and Army). These men and women were captured more than 75 years of before and/or during deployment as POWs. As of July 2022, only 467 remain alive out of the original 1200 military POWs, seven of them from the 1st South Carolina.

This collective group of POWs (armed and/or unarmored) formed their captivity into a defining moment in their life's journey. It is their hope to help to bring their families and loved ones together and preserve their legacies.

- 20% of the total POW group remained in military service after their return and retirement.
- Among the media available to assist the POWs for their capture and/or on behalf of our country.
